

Gaurav Bhatti

I am a recent graduate with a strong academic background in IT and a passion for cloud computing, particularly AWS. I am seeking a challenging position as a Software Engineer in a dynamic organization where I can utilize my skills and knowledge to contribute to innovative solutions. I have experience in UI/UX design and am excited to apply my expertise in a professional setting. Experienced IT professional with a strong academic background in cloud computing and a passion for AWS seeking a challenging Software Engineer position to make a meaningful contribution to a dynamic organization. Additionally, proficient in UI/UX design, I am excited to leverage my skills and experience to help create innovative solutions.
